

**Seaside Paper Products Ltd.**

9999 River Way, Delta, BC V4G 1M8 Tel: (604) 930-2700 • Fax: (604) 930-2701

## **Machine Operator**

Seaside Paper Products has been leading the industry as an innovative custom converter of specialty paper products for a diverse range of industries across North America. We offer a clean, safe, open work space in our 90,000 square foot facility located in the Tilbury area of Delta, just off Highway 17.

### **Shift:**

This is a fulltime, permanent position. Our 12-hour rotating shift gives employees the unique opportunity to have 2 and 3 days a week off. The work schedule is from 6:30 am to 6:30 pm seven days per week on a 2 day-on, 2 day-off, 3 day-on, 2 day-off, 2 day-on, 3 day-off rotation, totaling 80 hours over 2 weeks.

### **Job Description and Responsibilities:**

The Machine Operator is responsible to learn on the job, retain instructions and use attention to detail and accuracy to set up, clean, and operate machinery. This role operates die cutting, printing and paper converting machinery. Employees must follow production schedules and lead hand instructions.

### **Skills and Qualifications:**

- Mechanical aptitude and machine operating experience
- Some experience in a production environment
- Problem Solving skills
- Physically able to stand for extended periods and repeatedly lift 25 to 30 lbs
- Reasonable English speaking and comprehension for understanding instructions and safety orientation
- CSA approved steel toed boots are required. The company provides hearing protection.

### **Compensation:**

\$15.00 per hour starting wage. Benefits after three months' probation.

*While we sincerely appreciate every application, only candidates selected for an interview will be contacted*
