- Coating and garnishing of cream centres, caramels, and other products
- Sorting and packaging of the final products in proper boxes in accordance to the quality and productivity standards
- Consistently meeting daily production targets
- Keeping cleanliness of equipments, machines and work stations
- Examining products and recording results for quality control
- Maintaining a “team-centered” atmosphere
- Performing other duties as assigned

All applicants MUST have :

- High school graduate education level
- Availability for ALL 3 types of shifts - Days, Afternoons, & Evenings
- Availability for a full time workweek, 40 hrs/week
- Excellent spoken and written English communication skills
- Great attention to detail
- Ability to work in a team
- Experience working with Food Manufacturing Machinery is an asset
- Ability to lead and influence others is an asset as we are also seeking Lead Hands

****Forklift Certification, Shipping/Receiving Knowledge, driver experience would be an asset for moving into other departments****

****As this is a unionized work environment – union membership is mandatory upon hire.**

****For the safety of our employees, steel toe boots are also a requirement.**

Pay: Starts at \$15/hr and increases \$1 every 2080 hours until full rate for General Help at 10400 hours

- Lead Hand premium: \$2/hr
- Additional \$0.75/hr for valid First Aid Certificate – OFA Level 2

Purdys Chocolatier recognizes the value of skills and knowledge gained outside of formal education and paid employment. Applicants who present an equivalent combination of qualifications and experience will be considered and are encouraged to apply. We thank all applicants for their interest in Purdys Chocolatier, but due to the volume of applications received, we are only able to contact those applicants who have been selected for an interview. No phone calls please.
