

MERIT KITCHENS

Over 40 years, our organization has utilized new technology and maintained its traditional cabinetry standards to create innovative, high quality cabinetry products that have continued to successfully attract savvy, modern consumers across Canada, United States and Japan.

We are seeking a full time, Junior Maintenance Technician at our Surrey location to join our team immediately to assist the Maintenance Manager on day to day maintenance of machinery, and other projects to ensure smooth operations. Previous maintenance experience in manufacturer and High school graduate or equivalent with trade classes required.

What we would like from you:

- Mechanically inclined
- Basic understanding of electricity, electrical safety and safe working practices
- Basic computer knowledge
- Basic understanding of pneumatics
- Basic understanding of electrical schematics
- Able to lift 50 lbs on occasion
- Comfortable to use a ladder
- Able to follow detailed instructions
- Troubleshoot and problem-solve
- Use of basic power tools (drill, grinder, saw, etc.)
- Fluent in English, both verbal and written

It would be really nice if you have:

- Knowledge of welding steel
- Able to use metal lathe
- Previous electrical experience
- Previous plumbing experience

What's in it for you?

Our organization's heritage, which is built upon the rich experiences of proud and well-trained employees, is our greatest asset and the source of unparalleled value for clients. Today, our team comprises over 100 dedicated tradespeople, craftspeople, technical specialists, and customer service specialists who are the direct result of our success in the industry.

We are committed to our employees in providing a friendly, welcoming, and enriching work environment. Furthermore, we want our team to look forward to coming to work every day.

This position offers:

- Hourly Wage
- Medical/dental benefits after 3 months
- RRSP matching after 1 year
- Employee Assistance Program after 3 months
- Regular, consistent hours
