

Warehouseman

Canada Metal (Pacific) Limited is the world's leading manufacturer and supplier of die cast zinc, aluminum and magnesium anodes, which are sold worldwide under the Martyr brand name. We also manufacture auto pilot drive systems for leading marine electronic companies under the brand name Octopus. Our company is located in Delta, British Columbia.

Canada Metal is currently looking for a Warehouseman to join our Supply Chain Group at the Delta Head Office. The Warehouseman will be responsible for receiving products/materials from internal and external suppliers; loading and unloading transports; performing receiving inspections; performing physical inventories and electronically transacting the receipt and movement of products using handheld scanners.

The successful candidate will have at least Grade 10 Math. Holding a valid Forklift Operator license and previous experience with handheld scanners is preferred but training would be provided as needed. This position is part of the Collective Bargaining Group and will be subject to the pay rates and dues required by the bargaining unit. The current rate of pay for this position is \$19.19 per hour and there is a requirement to work rotating shifts. We have 3 shifts, day shift, afternoon shift and graveyard shift.

We are looking for a candidate with all of the above plus high energy and a willingness to learn new skills.

If this ad appeals to you and you fit the description of our ideal candidate, please send in your resume and covering letter to hr@canmet.com
